

## GDPR Consent

### **Photography, filming, publicity, and data consent:**

We hereby wish to inform you that by registering with our site and attending our events, you consent for SASE to store and use images, moving footage, audio, comments, and other personal data. This form covers consent for use for internal and external communication and storage of the data within these contexts. All data (images, film, comments, personal info), will be stored by SASE. The data may be shared with third-party organizations for the purpose of creating communication material (e.g., printing company to print our directory or flyers).

### **Your consent**

I give consent to SASE to publish, republish, or otherwise transmit still and moving images, audio, and my name for the purposes of:

- Educational resources, such as an archive of recorded paper presentations
- Publicity and promotional materials, including printed publications such as fundraising prospectuses
- Presentation and exhibition materials
- Websites, social media channels, and digital communications materials, including advertising materials and printed publications
- News media and their associated websites, social media channels, print publications, television, and radio

I give consent for my contact information (name, address, telephone number, email address) and image to appear in SASE's member directory, *for circulation to SASE members only*.

I understand that SASE will keep my contact information and image in accordance with European data protection laws. I also understand that the still / moving images / audio used for publicity or marketing purposes are public, and therefore could potentially be reproduced, altered, or re-used outside of SASE's control. I know I have the right to withdraw consent at any time by emailing [saseexecutive@sase.org](mailto:saseexecutive@sase.org) but understand that withdrawing consent may not affect the material that has already been used.

I understand the above and give informed consent.
