Deadline for New Submissions: Monday, January 14, 2019

Guidelines for Submission:

It is possible to submit in two different categories: **Individual Papers** and **Sessions**.

To submit an individual paper, you must include an abstract. Abstracts for submissions to regular networks should be no longer than 500 words; abstracts for submissions to mini-conferences should be no longer than 1000 words. All submissions need to include 3 key words.

To submit a session, you must include both an overall abstract for the session and abstracts for each of the 3-4 paper abstracts composing the session. The same word length applies to papers within sessions as does to individual paper submissions.

SASE network organizers welcome both full sessions and individual papers - please keep in mind that Networks D, E, H, I, J, L, N, and R require full paper uploads by Monday, May 6, 2019 in addition to the initial abstract submission.

All mini-conferences require the submission of a full paper by Monday, May 6, 2019.

Attention

- No author may present more than two papers, regardless of whether the papers have co-authors.
- No paper may be submitted twice to different Networks or Mini-Conferences.
- The deadline for submitting abstracts to all Networks and Mini-Conferences is Monday, January 14, 2019.
- Acceptance notifications will be sent by Wednesday, February 20, 2019.
