SASE/ Limerick, 27-29 June 2024 - Submission Deadline 19 January 2024

This form is for submitting pre-formed panels with multiple paper presentations. If you actually want to submit an individual abstract, or another kind of panel, please go here: <https://sase.org/event/2024-limerick/#submissions>

Please submit this form and any supporting documents to Pat Zraidi, sasestaff@sase.org, before the deadline of 19 January 2024. The submitter and all panelists will receive confirmation once the panel has been uploaded, and you will be able to make changes to the proposal directly through the submission system up until the deadline.

Please note: panels may include up to 5 papers, but we definitely recommend not more than 4. Please be sure to read through this form all the way to the end, as it closes with two important questions: you can indicate whether or not panel organizers should be included in the program, and whether or not any of the panelists would like to apply for SASE's Early Career Workshop.
